DESTINATION

DARK & LIGHT CAVE

This is best place to discover under-tide level tunnel in the bay. Passing through the natural entrance, visitor will see a tranquil round lake, surrounded by luxuriant trees and different sized stone walls. There are weeping fig trees shading inside and many orchids hang their sweet-scented flowers. The Dark Cave is the long and dark one, which will require a torch to be handed for visitors beforehand. In contrast, the Bright Cave is short, and you can see the other bright side from this side.

TRA BAU FLOATING VILLAGE

Join the kayaking experience to explore the Tra Bau area – the famous filming location for Kong Skull Island (King Kong) in Quang Ninh in 2018.

BA TRAI DAO (THREE PEACHES) BEACH

About the size of Ba Trai Dao island there that legend says:

There were fairies. One day, a poor fisherman fished in the bay of Ha Long. Because he wanted to live with you forever immortal, the fairies Arabia has stolen for him to eat three peaches. Sky Emperor knew very angry, spent three magical peaches turned into three rocky islands first.

Today, the Three Peaches are interesting destinations for those who love adventure. There are three sandy beaches. The ears, bow, and legs hugged the island, gathered, forming an ideal beach.

VIET HAI MOUNTAIN VILLAGE

Viet Hai is a small village in the midst of jungles, covered by high mountains range of the Cat Ba National Park.

The local residents lived their self-sufficient life as the primitive human of thousand years ago. Because of this cultural practice, foreign visitors to this village increase gradually. In recent years, together with the recognition of Cat Ba Archipelago as the UNESCO World Biosphere Reserve, thousands of tourists have trekked through the mountains, jungles, and springs to visit this unique attraction.
